A message from the founders

ØSS started with a feeling we couldn't ignore.

Everything feels easier when you're around the right people.

We'd both experienced it in moments, being surrounded by women who inspire you, encourage you and challenge you in all the right ways. The kind of environment where you think more clearly, show up more confidently and feel supported without having to explain yourself. But these were often short moments.

We kept coming back to the same thought:

How can we create a physical space so that local women can experience this regularly?

So we created ØSS.

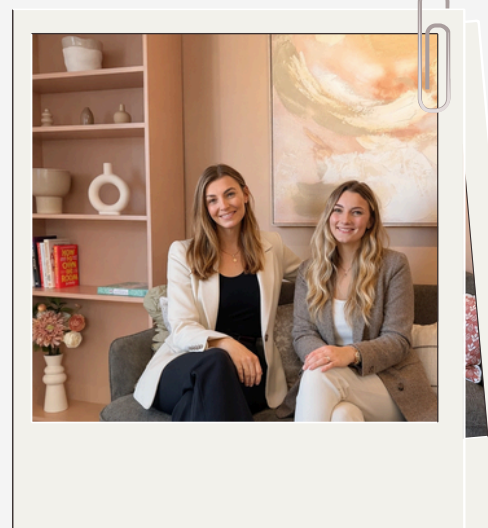

Not just as a place to work, but a space to think, to build, to have meaningful conversations and be around women who genuinely want to see each other do well.

A space where you can come as you are, but never leave quite the same.

We can't wait to see you there.

Love,

Michelle & Shannagh

Join a community of like minded women

ØSS means 'us' in Scandinavia.

That's exactly what this is about with a little nod to our Scandinavian heritage.

We wanted to create something rooted in togetherness, championing women locally, regardless of what they do or how they define success.

Whether you're a creative, an artist, a photographer, a business owner, or building your career, there is space for you here.

ØSS is built on shared respect for one another. It's a space for women who are ambitious, who value accountability, who want to be surrounded by like-minded people and who lead with kindness.

We believe you can be driven and supportive. Focused and generous. Ambitious and kind. And when those things come together, something really powerful happens.

To access ØSS, we ask you to join as a community member. This helps us keep the community and space intentional and aligned.

OUR PILLARS

Everything we do at ØSS is centred around 3 core pillars: Growth, Balance and Connection. They shape our space, our community and our events programme.

Growth

Whether it's personal or professional, growth is what keeps us moving forward. Without it, it's easy to feel stuck, uninspired, or unsure of what's next.

We don't believe growth has to be loud or constant but it does need to be intentional. Having the right environment, conversations and opportunities around you makes all the difference.

At ØSS, we support this through masterclasses, guest speakers and shared conversations that help you think differently, build confidence and take your next step - whatever that looks like for you.

Balance

It's easy to prioritise everything else before ourselves.

But without balance, things start to feel heavy. Work becomes overwhelming, energy dips and it's harder to show up as the version of yourself you want to be.

Balance isn't about doing less, it's about creating space to reset, reflect and take care of yourself alongside everything else.

Through wellbeing sessions, slower moments within the space and an environment designed to feel calm and considered, ØSS is built to support that.

Connection

In a world that's increasingly digital, screen based and often spent working from home, real connection can be hard to find.

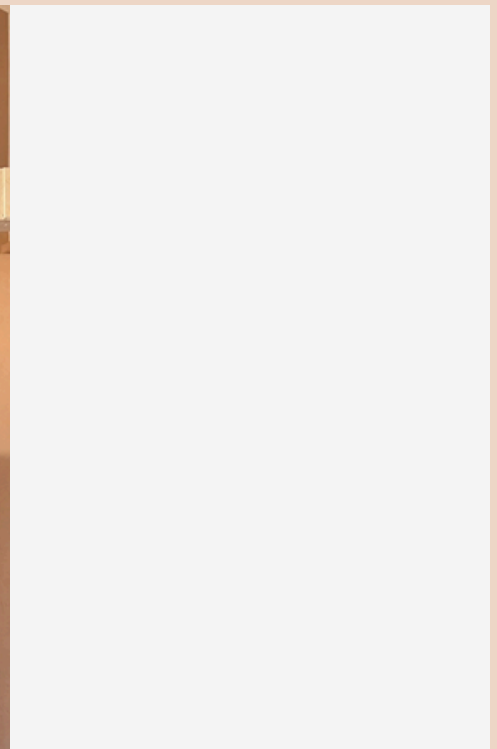

You can go days without meaningful conversation. Without being challenged, supported, or simply understood.

And yet, being around the right people can change everything.

At ØSS, connection is at the heart of what we're building, from informal coffee mornings to creative workshops and shared experiences. It's about creating space for relationships to form naturally, with women who get it.

Our events programme (launching soon) will always reflect one of these pillars.

LOUNGE

A shared space for slower moments.

Designed for pausing, reflecting and catching up over coffee, the lounge is where the pace softens. You might find yourself getting lost in a book here - whether that's something from our library or one you've brought with you.

Calm, welcoming and intentionally relaxed, it's a space to step into throughout your day.

When hiring ØSS for a private event, the lounge forms part of the space, offering a natural setting for more relaxed moments, conversation and connection alongside your event.

KITCHEN

Our kitchen space offers complimentary tea and coffee, with a selection of snacks and canned drinks available on an honesty basis.

WORKSPACE

ØSS offers a considered workspace for those who want more than just a desk. A place where you can focus, but also feel part of something.

We offer a small number of memberships to keep the space intentional and connected.

Adhoc Day Pass

Flexible workspace access for when you need a change of scene.

Available exclusively to Community Members, this pass allows you to book a desk in the workspace on an adhoc, day by day basis

£35 per day

Collective Membership

A part time workspace for women wanting structure, focus and flexibility without full-time commitment.

This membership gives you access to a desk for 8 full days / 16 half days per month (approx. 2 full days per week / 4 half days). Bookable in advance.

1 hour studio credit per month also included.

VISIT US

60 Queen Street, Stamford, PE9 1QS

Core Hours: Monday - Friday 9.30am - 5.30pm

ØSS is based in a residential area, with free on street parking available on our road and the surrounding streets. We kindly ask that you're mindful of our neighbours, please avoid blocking driveways and check signage, as some streets have 2 hour restrictions.

We're also conveniently located next to 2 footpaths connecting to Drift Road and Kings Road, both of which offer additional on street parking options. North Street car park is just a 5 minute walk away.

MEMBER RULES

This is a shared space, built on trust and respect. These aren't rules to restrict you, they're here to protect the experience for everyone.

1. Respect the room

Keep the space calm, considered and easy to work in.

2. Use of space

Collective members must book desk space in advance. If you haven't booked a desk, please don't use one - the lounge is always open for more flexible use subject to availability.

3. Guests

Guests are welcome if agreed in advance and subject to a fee. This helps us protect the environment for members.

4. Leave it better than you found it

Keep communal areas tidy, clear your space, reset chairs and wash up anything you use. Small actions keep the space feeling effortless for everyone.

5. Be mindful of presence

This is a working environment. Social connection is part of it, but be aware of timing, energy and those around you.

6. Food and drink

Tea, coffee and water are included. Food items and canned drinks are available for an additional fee - please use the iPad and card machine to purchase. This runs on an honesty policy.

7. Studio and equipment

Please handle all studio equipment with care. Many items are expensive and any damages will be charged.

8. Music and shared environment

The Alexa is free to use, but please be mindful of others when playing music.

9. Community over commerce

Referrals and collaboration are encouraged, but no unsolicited selling.

10. Confidentiality is assumed

What's shared here stays here. Conversations, work, ideas and challenges are treated with discretion.

11. Be generous, kind and respectful

This is a curated community. Be warm, inclusive and considerate of different experiences, working styles and seasons of life.

12. Communicate openly

Please share feedback, report any damages and let us know if something isn't working. Honest conversations help us protect and evolve the space.
